Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 14 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright day. Rain spreading southwards during evening.

Today:
Dry bright morning with some sunshine, especially over Antrim and Down. Becoming cloudy with rain reaching North Coast later in afternoon, extending southwards during evening. Fresh southwesterly winds. Maximum temperature 16 deg C (61 deg F).

Tonight:
The rain will move away south later in the evening with cloud clearing behind it, with winds easing. It will be a chilly clear night for most. Minimum temperature 5 deg C (41 deg F).

Friday:
A bright and sunny day on Friday but feeling cooler and fresher than recently. Perhaps more cloud at times around the north coast. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Saturday will be dry to start but becoming wet and windy. Drier on Sunday but still windy and outbreaks of rain on Monday and breezy again.
